FRONTIER AIRLINES ADDS NEW NON-STOP SERVICE FROM MOBILE DOWNTOWN AIRPORT TO DENVER AND CHICAGO

Fares as low as \$39*

Mobile, Alabama. - Low-fare carrier Frontier Airlines announced the addition of Mobile, Alabama, a new city in the Frontier network, with non-stop service from Mobile Downtown Airport to Denver International Airport and Chicago O'Hare International Airport. To celebrate the new routes, Frontier is offering a special introductory one-way fare of \$39 which is available now on flyfrontier.com. These will be the only non-stop flights from Mobile to both Chicago and Denver.

"We are proud to bring our unique brand of Low Fares Done Right to Mobile," said Jonathan Freed, Director of Corporate Communications for Frontier Airlines. "With flights beginning May 1st, we will make air travel more affordable for everyone in the greater Mobile area. And Mobile Downtown Airport is more accessible to the region. We look forward to making it easier for people to fly, and for people to fly more often."

Frontier is focused on more than low fares. The carrier offers customers the ability to customize travel to their needs and budget. For example, customers can purchase options a la carte or in one low-priced bundle called the WORKSsm. This bundle includes refundability, a carry-on bag, a checked bag, the best available seat, waived change fees and priority boarding.

"Frontier Airlines will offer our citizens the opportunity to fly to great new destinations at affordable prices. Their investment in our city is another indication of the positive momentum we are experiencing in Mobile. We encourage everyone to support this new service and help us continue to grow," said Mobile Mayor, Sandy Stimpson.

The airline's frequent flier program, *FRONTIER Miles* lets members enjoy many benefits as well as attain Elite status. Like the airline, *FRONTIER Miles* is family friendly, and the program makes it easy for families to enjoy the rewards together, including family pooling of miles. *FRONTIER Miles* is aptly named, because you earn one mile for every mile flown - no funny formulas at Frontier. If a customer travels a little or a lot, they will find *FRONTIER Miles* rewarding.

"We are extremely excited to welcome Frontier Airlines to Mobile, Alabama. The Mobile Airport Authority has worked hand in glove with the staff at Frontier to introduce them to our marketplace and to well inform Frontier that they will provide a major boost to air service for the citizens of Baldwin and Mobile counties," said Elliot Maisel, Chairman, Mobile Airport Authority. The mission of the Mobile Airport Authority is to provide premium air service to our citizens. Frontier will lead the way in establishing premium service from our downtown airport at Brookley. We look forward to providing Frontier a warm and prosperous welcome to our market and to a long and mutually beneficial relationship between the greater Mobile market and Frontier Airlines."

Frontier flies one of the youngest fleets in the industry, the Airbus A320 Family of more than 80 jet aircraft. With nearly 200 new planes on order, Frontier will continue to grow to deliver

on the mission of providing affordable travel across America. Frontier's young fleet also ensures that the company will continue to keep fares low and that customers will enjoy a pleasant and reliable experience flying with the airline.

"Denver and Chicago are two routes that are in high demand for citizens in our region. We are very excited to partner with Frontier Airlines to introduce new low-cost service to our Mobile Downtown Airport. We are hopeful that this is the start of a long-lasting relationship as we look forward to direct service to more destinations," said Chris Curry, President, Mobile Airport Authority.

Frontier wants its customers to have more options when they fly and there is no fee for reservation changes made 90 days or more from the travel date. If you need to make a change between 89 and 14 days from departure, the fee is only \$49. Changes made 13 days or less from travel cost \$119. When making a change, customers just pay any increase in fare that applies.
