REMOVE & REPLACE STORAGE WAREHOUSE ROLL UP DOOR	

Scope of work:

To provide MAA with quotes pertaining to removal of old rollup door and installation of new rollup door. Vendor shall supply all necessary equipment and labor to remove and dispose of the existing rollup door and install a new rollup door including all necessary door tracks, hardware and any other items to produce a fully functional system. New door must meet any applicable Mobile City code requirements.

Technical:

Door Type – Commercial Wind loaded Sheet Door; door must have low profile drum box as there is a sprinkler pipe adjacent. (Contractor is responsible for verifying type)
Door size – Approximately 9.5 Ft x 12 Ft (Contractor is responsible for verifying measurements)

Quote:

Vendor quote must be on a company letter head and provide all necessary information including;

- Door cost
- Equipment rental
- Labor
- Any other associated costs
- Send quote to brad@mobairport.com

Insurance:

MAA requires specific COI to operate on property. Vendors may request a copy of the COI requirements from brad@mobairport.com

Site Visit and Questions:

All questions and any site visit requests must be submitted in writing to brad@mobairport.com no later than **August 17, 2023 at 5 pm.**

W-9 Form Required

Each bidder shall submit a completed W-9 form with their quote. In the event of contract award, this information is required in order to issue purchase orders and payments to your firm. A copy of this form can be downloaded from <http://www.irs.gov/pub/irs-pdf/fw9.pdf>
