Date: **August 4, 2023**

Project Name: **Annual Fire Suppression, Backflow Preventer and Fire Extinguisher Inspections**

Addendum No. 2 for the above referenced project has been published. This addendum is available only by electronic delivery on the Mobile Airport Authority website. Please find attached the Documents for the above referenced **Addendum No. 2**.

This Addendum is hereby made a part of the Contract Documents and Specifications of the above referenced project. All other requirements of the original Contract Documents and Specifications shall remain effective in their respective order.

ACKNOWLEDGE RECEIPT OF THIS ADDENDUM (Page 18) "Attachment F" BY INSERTING THE ADDENDUM # and DATE OF THE ADDENDUM ON THE SIGNATURE & ACKNOWLEDGEMENT AFFIDAVIT FORM.

ITEM NO. 1: Question & Answer -

1. I would like to bid on the fire suppression and extinguishers. I was out of town during the scheduled walk through. Is it possible to come do a walk-through of the facility so I can put together a bid for those services.

Answer: Yes, MAA can accommodate another site visit on Monday August 7, 2023, at 9am starting at our BAX (1891 9th St) location and then proceeding to our MOB (8400 Airport BLVD) location.

2. Do you have any information on the FM200 system and Halon system located at the 8400 Airport Blvd location, Manufacturer, size etc.?

Answer: Previous inspection reports are not guaranteed to be accurate and sufficient to base a bid, therefore all bids must be based on site visit. As for the FM200 and Halon, the site visit should clarify any questions concerning them as my staff are not familiar with "sizing" of these systems.

Sincerely,

MOBILE AIRPORT AUTHORITY
