**TRANSIENT AIRCRAFT OPERATOR NOTICE**  
**AIRCRAFT LANDING FEE BILLING AND PAYMENTS CHANGE**

Dear Mobile Airport Authority Aircraft Community:

On January 1, 2026, the Mobile Airport Authority will transition to using PLANEPASS® for landing fees for Mobile International Airport ("KBFM"), Mobile Regional Airport ("KMOB"), and St. Elmo Airport ("2R5"). PLANEPASS® is a purpose-built aircraft billing solution from Vector Airport Systems ("Vector") for billing and accounts receivable management. Vector's PLANEPASS® team will bill and manage all payments for KBFM, KMOB and 2R5's landing fees incurred January 1, 2026, and thereafter. Accompanying this notice is the official Authorization to Bill letter. Please note that, currently, PLANEPASS® applies to landing fees and not any other fees issued by the Airport. For all operations occurring until midnight on January 1, 2026, Altaport will bill and continue to collect landing fees.

**"Landing Fees" is a commonly used term that refers to aircraft operating fees. "Landing fees" for KMOB, KBFM, and 2R5's are currently charged using the time of arrival.**

Vector will send invoice(s) in January for December's billable landing fee activities and all billable activities thereafter to the **aircraft's operator or management company**.

For more information on making payments and to update your billing contact information, please visit Vector's self-service portal at <https://payment.planepass.com>. If you need to contact Vector, please use [billing@vector-us.com](mailto:billing@vector-us.com) or call 1-888-588-0028 Option 1. Vector has an in-house, US based customer service staff who are available Monday through Friday, 9 a.m. - 7 p.m. EST, excluding most US federal holidays.
